Summarized items discussed at committee meeting.

Mentioned upcoming events and pointed out that after the weekend there were no upcoming events in the calendar.

IOC Hanami Event – Sat April 5

Asked members for suggestions.

- Shukugawa (between Nishinomiya and Kobe). Markus and Mike have offered to arrive early and reserve a place. Perhaps we could have a short hike in the area beforehand.

Held IOC elections – supervised by Minhao and Keiko.

- Mauricio was voted in as President, Will as Vice President, Yuri as Treasurer, Sebastien as a Committee Member (position yet to be decided), Koji as Webmaster and Rebecca as Newsletter Editor.

Asked that other members help out the committee this year, as the number of committee members is small.
