REPORT OF THE IOC COMMITTEE MEETING

Committee meeting minutes

date & time: June 14th, 18:00- 19:30ish, at Umeda school

participants: Dominikus, Kuriko, Carmel, Junko

1) member's database

As of 14th June, we have 63 members + 3 (one who renewed, two who came at the first time and signed up). Dominikus and Kuriko are now working to sort out and we will make sure to delete people who have not renewed his/her membership for this year.

2) things in IOC lockers

There are 20 maps(please see attached). More "out of date" things are still and will be sorted out before the July meetings.

3) safety things

Will talk with Dominic next time.

4) equipment

Will talk with Will next time. With enough budget, we will buy a stove.

5) summer camp at Genkimura

We looked though the budget(great work, Kuriko!) and balance in IOC account is now about 13-man(need to confirm with Kuriko). We need to collect the cancellation fee for 3 people.

6) others

Two of newcomers and one member showed up even it was not the official meeting. We will edit the page saying the monthly meeting are held at every second Saturdays.
